MY FAVOURITE PLACE

I'm Ginny. I live in a big city, but my favourite place is a small town two hours from my house. It's Aubrey, and my grandparents live there. I visit them about once a month, and we do lots of things together. For example, there are two nice parks in the town. One is next to the river, and the other is behind the shopping centre. We often walk there in the afternoons.

My grandmother likes to cook, but my grandfather enjoys restaurants. There is a great Italian restaurant in Aubrey – we usually go there on Friday evenings. My grandfather also likes Japanese food. There aren't any Japanese restaurants in the town, but there are in my city! When he visits me, he can try it.

It's easy to live in Aubrey because there are many good places in the town. There is a big supermarket, two shopping centres, a post office and a bank. There aren't any swimming pools, but that's OK because you can swim in the river!

Read the text. Are the sentences TRUE (T) or FALSE (F)?

T	**F**	**1.** Ginny's grandparents live in a city.
T	**F**	**2.** Ginny walks in to see Aubrey in the afternoons.
T	**F**	**3.** Ginny's grandmother likes to make food.
T	**F**	**4.** Ginny's grandfather wants to eat Japanese food.
T	**F**	**5.** People swim in the town swimming pool.
